Arizona Trail Riders Member Guidelines

As a member of the Arizona Trail Riders, I hereby agree to follow the rules and principles set forth below. These rules and principles are not intended, nor expected to cover all the situations that can be encountered when trail riding and should not supersede sound judgment. This document is intended as a guideline to ensure A.T.R. members know what they can expect from their fellow members.

- All riders must be present and accounted for after a ride. I will not leave the riding area until mutually agreed by all trail riders.
- In the event a search or rescue is needed, I will immediately do whatever is required to ensure a successful search or rescue effort.
- I will wait for the riders behind me in a timely fashion, so riders do not get lost or separated from the ride.
- I will tell a non-rider the area where I will be riding and an approximate time that I plan to return.
- At a minimum, I will carry the following items in the appropriate quantities when riding: water, food, spark plug, and tools. Additional recommended items include: tire repair kit, space blanket, whistle, comb or tweezers, fire starter, and first aid kit.
- If my motorcycle breaks down, I will stay on the trail.
- When riding, I will stay on existing legal trails and roads.
